Members are reminded that AVCC Racing Rules require all riders to report to the line officials at least 5 minutes before their scheduled starting time. Any rider failing to do so may be held back so they can listen to the referee's instructions to the next group. A rider held back in this situation must not take advantage of that group in a GSR.

A requirement under our racing rules is that all cycling helmets must be accredited to AS/NZ/2063.

The onus is on riders to ensure their helmets have the appropriate sticker. Random checks will be made before the racing starts, either in the car park, club rooms or at the starting line. NO STICKER, NO RIDE.
