In participating in this event riders:

- acknowledge that they have read and agreed to abide by the Constitutions, Rules, and Policies of SVCC, SAMCA, and AVCC;
- agree to observe and comply with all oral and written instructions issued by appointed officials of SVCC, SAMCA, and/or AVCC;
- freely release SVCC, SAMCA, AVCC, and their officials from any and all liability for any injury, loss and damage arising out of the activities;
 - accept the dangers that may be involved in competitive cycling and undertake to participate entirely at their own risk.

Any rider failing to report to the line officials at least 5 minutes before their scheduled starting time may be held back so they can listen to the referee's instructions to the next group. A rider held back in this situation must not take advantage of that group in a GSR.

Our racing rules require that all cycling helmets must be accredited to AS/NZ/2063. The onus is on riders to ensure their helmets have the appropriate sticker. Random checks will be made before the racing starts, either in the car park, club rooms or at the starting line.

NO STICKER, NO RIDE!
